LABOURNET PORT ELIZABETH
CORPORATE SOCIAL RESPONSIBILITY

CHESHIRE HOMES

We have a very close relationship with Cheshire Homes, especially in Summerstrand and Cleary Estate in Port Elizabeth. The Homes care for disabled persons who suffer from paralysis, cerebral palsy, and other misfortunes that have rendered them entirely dependent upon the loving care of the management and staff of the Homes. It is inspiring to work with the staff in assisting when and where we can. They encourage the residents to be active and partake in activities despite their limitations. In fact, their motto emphasizes "ability".

We provide professional labour relations services to both Cheshire Home Summerstrand and Cleary Estate.

During 2009 we have also assisted them in many ways, involving our family and friends in various activities and enjoying every minute thereof: including cutting hair and "make-overs" weekly, selling tickets for fund-raising (even on weekends), assisting with the preparation of food and serving at monthly luncheons for the public to raise funds, and manning a food staff at a local music festival and "potjie-kos" competition where we assisted in raising R20 000 in one day.

In recognition of our contributions, Cheshire Homes Home Manager Summerstrand, Mr Les Kirkland, kindly presented us with an award at their annual Appreciation Function.

We envisaged a long and rewarding relationship with Cheshire Homes.
