To whom it may Concern,  
Labournet East London

East London Cut Rag Processors has been a client of LabourNet's since May 2006. During this time the company has had the pleasure of working closely with both Grant and Celeste. They have provided the company with excellent support and advice are experts in their field and have added a lot of value to our company.

My experience with LabourNet East London and the staff has been most satisfying.

Yours sincerely

### **RE: Testimonial Letter**

We have been a client to Labournet for more than four years .Within these years we never experience any problem with their service. We like working with them for these reasons quality of their work, their cooperation and their customer care. You don't need to wait for long to get a consultant if you can't get a consultant you just call their help desk for free Labour Relations advice.

If you looking for qualified and good customer care labour consultant try Labournet .They have helped my company with good business Labour relations ethics.

Regards
