To whom it may concern

LabourNet East London

I confirm that I have dealt with LabourNet East London since 2005, during which time they have provided our business with excellent support in the areas of labour relations and the drafting of Employment Contracts, Disciplinary Code, Policies and Procedures, Notices to attend hearings and the chairing such hearings.

Every time I needed help, Celeste was either on-site in less than an hour or she counselled me over the phone. She knows her stuff so well, she saved me at many hours of my own time.

I can confidently recommend LabourNet East London as a solid and reliable supplier of labour related supporting services, and experts in their field.

Yours faithfully
