LabourNet

Reuben ,Gerda and friends

Once again a big thank you to all our friends from LabourNet for spending the days with our kids, The spit braai was awesome and the kids could not believe how one sheep could feed so many, to those who labored in the heat during the spit braai a big thank you from us all.

Now if someone does the braaing the other had to play and the kids had a ball with every one from ball games to chats and little moments with one on one between LabourNet staff and the kids

The food was awesome, the party packs much appreciated and our children really had a blast spending time with you guys the interaction was great and our kids were blessed by the best.

Thank you once again for spending your time with our kids.

May GOD bless you , your family and organization for all that you guys have done. LabourNet can be proud to have you on there team.

“To blessed to stress “

Tilly & Abigail
Children's Home Coordinators
