To Whom It May Concern:

We have been a client of LabourNet since 2007. The service we have received to date has been good.

Our consultant Sunisha Roopram is always very helpful/friendly and professional. Since joining LabourNet the management team including myself have gained useful knowledge, it definitely has had a positive impact on the business. We were always given advice to make the right decisions when it came to difficult situations. Old policies/contracts were checked and updated according to our needs and new ones were implemented with the assistance of Sunisha.

Overall Sunisha is a wonderful consultant and very professional.

Kind regards
