To Whom It May Concern:

I have been a satisfied customer of LabourNet since 2004. Through the years LabourNet has provided me with competent consultants who were readily available when needed to solve my labour related problems. I was able to build a relationship with each consultant where I put my full trust and faith in the advice that they provided me with. I trust that my current consultant, Mary Schaefer has my company's best interests at heart.

My company is well run and my problems are few and far between. When there have been labour issues the services that LabourNet has provided me with ranged from disciplinary inquiries to drafting of memo's to staff. I receive the documentation requested within a 24 hour period and the level of drafting is of a high quality.

I value the contribution has made to my company and trust that I will be a LabourNet client for many years to come.

Yours Sincerely,
