REFERENCE LETTER

PAREXEL has been making use of LabourNet's services since 2003.

LabourNet's consultants are currently providing specialist services and support to all our offices, located in Bloemfontein, Port Elizabeth as well as George.

By making use of LabourNet's services PAREXEL has the assurance that the correct procedures are followed when dealing with problematic employment issues.

We make use of LabourNet's services for all our Disciplinary Procedures, as well as dealings with Trade Unions.

I do not hesitate to contact one of LabourNet's consultants when I am faced with a Labour Issue. Even though I am confident that I am remaining within the parameters of the law when dealing with Labour Issues, I will still contact LabourNet just to assure myself that we are treating our employees fairly.

LabourNet's consultants' expert professional advice and quick turn around time gives us peace of mind and in turn allows the HR Department to offer an excellent service to our Internal Client Groups.

Yours sincerely,

Helga Bock
