### **LABOUR NET TESTIMONIAL**

SA Home Loans has been a Labour Net Client for about 4 years. Labour Net assists us with all our Employment Relations issues which includes, advice, letters, disciplinary hearings, chairing of hearings, training and the up skilling of our team.

The service level agreement is always met, really outstanding service. The national infrastructure covers remote areas eg. Vryheid. No place is too far, consultants are prepared to travel the distance.

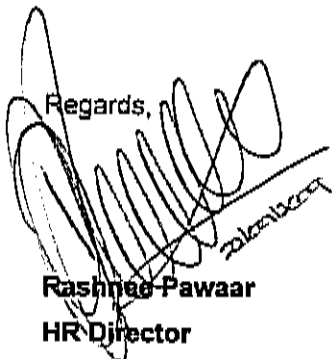

Labour Net understands the nature of our business. Staff are highly qualified, friendly, approachable, accommodating; we receive quality advice and referrals, as well as excellent customer service.

All our questions are answered and we are provided with up to date information on case laws etc. We have saved money from a Risk management perspective.

In addition we find the seminar breakfasts very informative and a great value add to the service offered. Training sessions are also run effectively and efficiently and are relevant and useful.

We are happy to maintain our current relationship with Labour Net.
